Rise of Cult Worship  
The Return of the  
Order of the Ebon Skull  
Though thought to have  
been destroyed with the  
fall of Caina the worship  
of Oblivion and the dark  
forces of entropy have  
continued to this day. The  
followers of this dark  
religion believe that by  
destroying lives and taking  
souls they can ascend  
into a more powerful  
form of existence. By  
giving themselves up to  
daemons and malevolent  
spirits they acquire  
temporal power but in  
the process they lose  
their souls becoming  
lesser versions of the  
race that spawned them.  
They perform wicked  
deeds on children and  
twist the young into  
servitude.  
Sin and blasphemy, heresy  
and injustice follow in  
the wake of the Order  
of the Ebon Skull's  
return. Secreted away in  
the city of Umbra they  
plot the unmaking of life.  
Thankfully their evil is  
contained in Malas where  
they can spread havoc  
and form cracks in the  
fragile empire of Sanctus.  
Should they move to  
Trammel Mother would  
crush them to dust with  
Humanis as her hammer.
